

Dear Fayette Middle School Family,

Thank you for the wonderful care package. The 317th MP BN really appreciated all the time, effort and care that your students and staff put into the box. We will make great use of all the things you sent. Thank you for your kind words and art work, getting stuff like that makes our time here all worth it.

317th Military Police Battalion
COB Speiher, Iraq 2009-2010
